“ *Dot was one of my closest friends. She was always in a good mood. Always smiling. She always had a good joke to tell or some way to make you smile. She has helped me out more times than I can ever count. Miss you so much already. With all my love.*

“ Over several years I spent a lot of time sharing happy and sad chats with Cindy. She always left me with a smile no matter what was going on in our lives. I felt I knew her family and children from her sharing life experiences. It has been many years since we had crossed paths but the photo is most often the way I remembered her-- an ornery grin that offers a pleasant memory. Farewell Cindy. Gary. 9-11-2018.
