“ During the 10 years I lived in Cambridge, Dallas was my "go-to" guy for cars. I bought several from him and he always gave me good advice and helped me make sensible choices. He was also my friend, treating me with respect, but able to be silly without losing his professional style. I'm sure his family will miss him terribly and I hope their memories are good ones, as are mine. He was a good man.

I remember when Jess got her first car...Dallas told her "if you ever get in trouble, don't call Dad, call Uncle Dallas- he'll come get you"....Jess never forgot that, and we will never forget Dallas- his kindness, his sense of humor. Cherish your memories, and with the love and support of your friends and family you will come thru this- I'll be thinking of you , and your family is in my prayers. Tina Bailey*

“ Dallas was the friend we met when our girls played summer softball. He and Sally and their relatives were the best fans to sit with during a game. He knew so much about softball because he also played in a league. He knew everyone. I think he could have run for President of the USA. He definitely was well known and liked in this community. He drove his cars to the car show, he lent his convertibles to homecoming candidates, as he did for our daughter, Julie. He always had a smile and laugh for all. I am so glad that I was able to talk to him while in line for Sharon Walker's calling hours. He talked non-stop and we all enjoyed his presence. I am so happy to have met this man and his family in my lifetime. I give my sympathy to Sally, and his much loved daughters and grandchildren. Also want to mention the many times the whole softball team would stop at Tasty Treat on 5th. St. after a game and Dallas would pull out a one hundred dollar bill and say "I got it." Thanks Buddy. We will all miss you. Your friends, Bonnie and Joe Pruneski and family
