“ Dave raised my sister Brianna, and Destini. Whenever I wanted to take them somewhere, or go out riding in the car. Dave would always say "you still got insurance and a license right?" He did a great job helping Momma Belinda raise my sisters. He was a great man and could make anybody smile. I always thought of Dave as a tough man with a soft heart. Love you Dave!

“ *To Dave's Family,
You were truly Blessed to have had him in
Your Life. We were Blessed to just have
known him..we were doubly blessed to say he
was our Friend. He always Carried Sunshine
it seemed, in a pocket, readily available, and in massive/
overflowing amounts to friends and family. He shared Joy in our
lives and he had the Best Personality of anyone that we know. If we
could carry anything out of this to enhance our Lives it would be his
Very Big Smile and Heart. ... He was an Angel on Earth.
We ask the Lord to Please take this Fallen Angel, and Be with His
Family and Friends Today, and Always to remind us of his Love
through you, committed to His friends and family and shared by His
concern for Others. Help us remember the Rooms that were lit up,
the spirits that were lifted, and the example of friendship that he has
set. Tim Said, "Dave and I had alot of good times together". I know
this is true.... if you knew him.... You loved him! He will be Missed.
May He Rest in Peace Now, without Pain or suffering. Please
accept our Condolences. He will Not be Forgotten.*

“ Dear Dad, I'm glad for everything you've showed me. The time we spent together I'll never forget. No matter where I go, you'll always be in my heart and soul. The times we spent fishing will always be the memories I cherish. Watching you clean our catches of the day, and you trying to teach me the tricks you would do. I just regret never getting the chance to go deer hunting with you and learning how to make your deer jerky that everyone waited so patiently for you to make. But now your gone and all we have is our memories of every moment we all had of being with you. You are the light of all our world, and we all will keep your light burning inside, and share it with everyone else to keep your memories alive. We will see you again Big Guy and the parties will continue on. Till then, i love you,
J.J.

“ My Dearest Brother, When you left you took a peice of my heart, and now you are flying free with Dale Dad and Mom. You will never know how my heart is hurting for our family. This is the hardest thing for me to do and then drive home again. I am so blessed that I named our first born child after you and our second child is a small version of you. You were loved by all that knew you and you will never be forgotten you have touched so many lives. Please be free and happy now that you are no longer suffering. My heart will always ache for you... FOREVER LOVE YOUR SISTER xoxoxoxox
