"Diamond Dave", what a great man you were. We had some wonderful conversations on the Bookmobile and then at the Main Library. Once a friend you were a friend for life. What an amazing life you lived and shared with others.

I'm gonna miss you lots. It always made my day to see you or if I got the chance to call you and let you know you had something in at the library. I'll miss your catch phrases- "Hey Baby," and "This is Dave down on Central..." I'm glad I met you, my life is enriched from knowing you.
