“ *Debbie was always willing to assist my many, many requests and questions. We also shared a history together as banking associates thus we traveled together on this planet for many years. I believe she gave of herself in a loving and triumphant way. I pray for her and her family that all their Angels keep close vigil during this time of loss and healing. Blessings to all.* ”

“ *I have always imagined that Paradise will be a kind of library.*
~Jorge Luis Borges

Debbie is surely in Paradise with her Lord and Savior...she was prepared as always.

I will miss her voice on the phone telling me "something has come in for you and we can hold it for four days." Thank you Debbie for always being so professional, friendly, and kind.

“ *My friend Debby was one of the BEST people I know. She was good to me from the first day I started working with her at the Main library. We shared a love of music. She was quick to smile and always enjoyed a lighthearted joke. She had a heart of gold and never knew a stranger. She had a givers heart and never spoke ill of anyone. She was a good worker and a great shopping buddy! She has given me great memories of our time together but I will miss having lunch with her at the Courtside Deli and watching The Price is Right. She was loved by many, including me.*

“ I dont think i could put into words the amount of love & admiration i have for Debby. I worked with Debby at the library and we had alot of laughs and sometimes shared some tears,she was my best friend & i always told her she was my "saving grace" ! Debby has most definitely made a major impact in my life,i admire so many of the great qualities she had,most of all was her love of the Lord,she made me want to be a better person. I know she is in a better place,but it doesnt always take away the pain. Thank you Debby for being the person you are, i will always love you !

“ *My first day at the library, Debby was one of the first people I met and I remember thinking how friendly and kind she seemed. And I was right. Debby was one of the friendliest, kindest people you would ever meet. She loved to joke and laugh with people and always enjoyed her work. When I think of Debby, I'll always remember her kindness and how she loved her bus trips to see the Cleveland Indians and her annual trips to Lake Erie with her family. I'll remember our shopping trips together. I'll remember how fun she was. Nothing but good memories! She was the best! I'll miss you, Debby and I'll always love you!*
