“ *David and children,*

I am deeply sorry for your loss. I know the grief I felt when I heard the news. I can only imagine your sorrow. The only time I have spoken with Denise since High School, was at the Class Reunions. I always found Denise to be the same sweet, cheerful person I have always known. I am grateful and feel blessed to have known her. Her smile and sweet spirit was one of a kind that continues to have an impact on everyone who has ever known her. May God bless each one of you. ###imported-begin###Michael A. Hill###imported-end###

“ Kelly,
I am so sorry to hear about your mom. I know that it must be so hard for you and you must be very sad. I lost my mother this year and my dad when I was young and remember how painful it was. I think I cried every day for a year. Just know that the pain will ease as time goes on. Life seems unfair at times like this and your family and friends wish they could make it better for you. Find comfort and strength in your faith, your family, and your friends. I didn't know your mom, but it is evident by reading the other messages that she was very nice. Someday we will all be together again.##imported-begin##Bill Geist##imported-end##
