“ Christine and family,  
Bob and I feel for your loss. Dennis was the kindest, dearest person we knew. Bob was so glad he stopped to see him the last time he was in Byesville. He was mentioned often at our home in Indiana. A good man left this earth, but Heaven shines a little brighter with his presence. We will be remembering you and praying for comfort and strength for your days ahead. Love to all, Bob and Karen Stats

“ I am so very sorry to hear that Dennis has passed away. What a loving and caring person he was his entire life. He truly loved his family and all of us who were blessed to know him. Such a role model he was always concerned about other people. My Mother loved him dearly. I am heart broken and our condolences go out to you Christine and your family. He will never be forgotten by us. He went out of his way always to make me feel welcome even as a kid as I would eight years younger. That was the generous kind hearted giving person he was.
