“ Desiree was like a second mom to me when I was little and used to come with my aunt Anita to play with Dustin and Daniel. She was the sweetest person to me when I was over. She would do almost anything for me. As I progressively got older she became a greater friend to me and my family. I didn't get to talk to her too much toward the time the time that she passed. I am glad tho that I did get to talk to her about 2 weeks before hand. I guess one of the points that i am tring to make is that she was the sweetest person that anybody could ever meet, and keep in touch with your friends you never know when they may pass away and you will never get to talk to them ever again.

“ Your mom and dad called and told me about Desiree. I am so sorry for you and the children. I know it has been a long, long struggle, but I have put you on my church's prayer list and God will look after you. You have wonderful times to remember, I remember when Katrina was just a baby and how proud you were when she was born. Then came Sean and you were on cloud nine again. The children will be your inspiration everyday.
