“ Mother I miss you. I still think of you everyday. I know you are looking down upon us. I know you see the betrayal that is happening amongst the ones you trusted. Your loving husband, you sister in NC. Things have changed dear mother. I love you. That will never change. I promise to do all I can to look after the girls who now have nowhere to turn. Rest in peace dear mother and know I am true. Some you have trusted may have betrayed you but my heart is true. See you soon dear mother..

*A Dove soars and I stand watching till she fades on the horizon and someone at my side says, She is gone. Gone where? Gone from my sight, that is all. And just at that moment, when someone at my side says she is gone, there are others who are watching her coming over their horizon and other voices take up a glad shout - There she comes! That is what dying is. An horizon and just the limit of our sight. Lift us up O Lord, that we may see further and be heaven bound.*
