“ *Dixie was always a very loving and caring person from the day we met!! I spent many of days and nights with her and her family out on Robin's Rd. We went to 4-H camp together, where we met many new people and friends, and some of which we remained friends with to this very day. I am wishing the entire family my condolences for our loss and many prayers for strength and healing during this time. RIP my friend until we meet again!!*
