“ So sorry to see this obituary. Dee was such a beautiful person. I worked with her at Bettcher Industries for many years. She was such a sweetheart and filled all of our days with laughter. I am grateful that I was able to see her during the Bettcher 75th anniversary party. We were always able to pick up right where we left off. Heaven has gained a precious soul. I look forward to seeing her again in God's Eternity. My love and prayers go out to her family.

“ I will surely miss my dear friend. We had so much fun riding to Church each week and being neighbors. She always looked out for me. Every day during the summer when she was in Ohio she would send me a morning joke. I miss her alot. My sympathy to John and family and to Yipper too.

“ Dee was full of life and so spunky! Wayne and I were the lucky ones to have her and John in our life . Never could she pass up chocolate and our shamrock shakes. RIP my dear friend

“ *She was a loving and caring grandmother to me and my cousins, and would take us in the summer to her place on Lake Erie and take us fishing and one time a bird pooped on her arm and she got excited about it and told me that it meant she would have good luck fishing that day
I love you grandma and will miss you
