“ *To Don
You were my best friend
You were my love
You were my protector
You were my provider
You were the father of our children "our greatest gift from god."
We were together through good times and bad
for richer or poorer
and in sickness and in health.
You were, and have been, my WHOLE life
Goodnight - my love
I'll see you in the morning.
With all my love, Becky##imported-begin##Becky

“ *When I think of dad - I think about all of the sacrifices he made for his children. He always made sure we had a good life.
Also, I think of how well he took care of "his mom - Velva"
Mostly I think of his "love" for "my mom - Becky."
It compares to the words of a love song or a poem.
My daughter, Rochelle, summed it up best....When I asked the twins what they know about dying - Rochelle spoke up and said:
When you die, your soul either goes to Heaven or Hell - She said, I know grampa's when to "Heaven."
With love,
Daughter Kim##imported-begin##Daughter Kim Allen##imported-end##*

“ There are so many words that describe grampa. Caring, Gentle, Loving and full of life, but if I had to describe him in one word....that word would be STRONG.

He was a very loving father to his kids and a very loving grandfather to his grandkids. I have so many wonderful memories that I will never forget.

No matter what was going on in his life, he didn't let anything get to him.

He was absolutely the best father in law in the world, but over the years, he became like a father to me.

He will be greatly missed, not only by me, but his family, friends and whoever knew him.##imported-begin##Kathy Stillion Daughter-in-law##imported-end##

“ Can't remember how many years I've known Don. One of the few people in a persons life who was always the same regardless of what was going on in his life. He left a big footprint in a lot of lives. Will be missed by a lot of true friends. Ron & Sharon Guthrie##imported-begin##Ron Guthrie##imported-end##

“ Kim, I am sorry to read this about your dad. You have my thoughts, prayers and condolences. I just lost my mom on the 15th of October so I know what you are going through. It is tough to lose our parents. I want you to know that I care. Deloris Ullmann##imported-begin##Deloris Ullmann##imported-end##
