“ Three years ago we were searching for a church that had activities for kids and we found Four Mile Hill and the biggest kid of all, Donald. He was the type of pastor that would take one kid to a youth group event in the van (Brody), take him to dinner, and bring him home. That was why he and my son were so close. I have no words to describe how special he was to our family and how sad I am that he will miss out on so much of Jason's life.

“ *Donald was a pastor at heart. He could have done anything, and he still would have found a way to shepherd his flock. ❤️*

He was the best children's pastor, as was Tina. David grew so much under their leadership.

They were perfectly matched for life, love, and ministry.

Tina and Jason, may God comfort you during this time of great loss.

“ If I could say one last thing to Donald what would it be?
You are an amazing man and you are always there. You are more than a Pastor and more than a friend. I enjoyed getting together for lunch and cruising around just two guys talking. You were with my kids whenever you could be, watching Brody play soccer and Cami's dancing/soccer. I could send you funny pictures or messages anytime of the day or night and I did. I could always count your curious response. You will always be part of my family. Those moments will be cherished forever. Every week I would get a message "how are you doing my friend?" I counted on that (usually on Thursday morning). I love you and we love you. I will never get that text that I used to chuckle about now. Come Thursday morning I will think and pray for your family. You spent so much time with Brody and you were an amazing friend to him. You treated all the children like they were your own. I wish I got tell you these things. We will pray for your family.

Love,

“ *What can I say about Donald? Donald was the kindest most gentle soul I have ever known. Donald was my roommate at CBC for a semester, he definitely brought life love and laughter to my life. Those years were good years. I never told him, but, I always looked up to Donald. I respected him and always knew that he would do great things in life. There is nothing I can say or do to bring comfort to the friends and family of this great man of God. But say that because of Donald's life, his passion and commitment to his family, his Church and ministry and his God. Was and is today both an inspiration and an example to many, including myself. Farewell my old friend, you will be missed and there will forever be a hole in the hearts of many. But your memory lives on. You have run the race , fought the good fight of faith. Now you have your reward. I'll never forget you.*
