“ Mrs. Roberson was our 4th grade teacher at The Glass Plant School. When we went across the hall to 5th grade with Mr. Murdock she would be called on as a witness when a paddling took place. She was a beautiful loving teacher. Timothy and Cheryl(Barnes) Todd.

“ *I was lucky enough to have Mrs Robertson for my 6th grade teacher at Lincoln elementary. I'll never forget her kind nature and undying dedication to her students. Because of her my once abysmal attendance became almost perfect. Her generosity and perseverance made 1984 most memorable. I have no doubt she made a mark on every student she ever taught. I know she left one on me.*

“ So sorry for your loss. I visited her as a Hospice Volunteer and we had some good talks especially about music. I told her I am an artist, but do not feel like doing paintings since my husband died just before Christmas in 2022. She said I should keep on painting in memory of Cal, and I thought that was a good idea. We both got something out of our visits. God Bless you all! Martha Rice
