“ We were saddened to hear of the passing of Doris. We had known Doris since the time of her marriage to Ralph who had been our neighbor since childhood. We hold fond memories of the family. We are so sorry to be unable to express our condolences there personally due to the declining health of my wife, Dorothy, but want the family to know that they are in our thoughts and prayers as they honor her passing. The greatest consolation we have is that we will meet again one day at Jesus feet and celebrate our time together again as friends.

“ We met Doris when Eva Davis became her roommate at the Red Carpet. In no time, we realized that Doris was devoted to her Lord. Her love for the Lord spread to everyone around her. We only knew Doris for a few months but because she was such a loving person to be around, it seemed like we had known each other forever. Sometimes we have doubts where a loved goes but we sure have no doubts where Doris has gone.

“ What an amazing Mother you all have been blessed to have (and your Dad too!)

*She was a dear friend to all of our family and the Lighthouse Baptist Church family. She has been an inspiration to all of us. Always smiling, always praising the Lord, no matter how she was feeling or how her health was declining. Her beautiful singing, her prayers, her sweet and thoughtful ways will be missed.*

*She loved you all so much and prayed faithfully for your health and strength and happiness. May the Lord comfort each one of you and your children. We share in your sorrow. We extend our sympathy to you all.*
