“ Jeff and Family, Sorry to hear about your loss. As a matter of fact no one here even knew if you were still living. I always enjoyed going to the shoe store and getting new shoes. Your mom and dad ran a very nice store. I would always stop on the way home from school and look in the windows dreaming of my next pair. Haven't heard from you since High School. Always expected to see you at the class reunions, but no one could locate you. Hope to see you at the next one. God Bless you and all of your family during your time of grief. A Friend Always, Darrell Romshak and Family, Cadiz, Oh. rum my4@frontier.com
