“ Hi Linda and family, Just now read in the Caldwell Journal of your mothers passing. So wish I would have know earlier so I could have been there tonight and also make it to the funeral tomorrow. In case you don\'t reconize my name, it is Mary, hostess at the Cambridge Cracker Barrel where your parents and your family came in so often. I have many fond memories of your Mom and Dad, you and the rest of your family, I just wanted you all to know how sad I am to hear this news and to tell you all my thoughts and prayers will be with you. I am basiclly retired now, but still work at the Barrel on Thursday mornings, so if you are in Cambridge then, please stop in. God Bless You All in this time of your sorrow!!! It has been awhile since I have talked to your Mom, but she has always been in my thoughts and prayers!!

*Respectfully and with Love,*

*Mary Bates I live in the area that she grew up in, just about 1 mile from where she grew up and so enjoyed the time they came here to visit before your Dad passed.*
