“ Please accept my deepest sympathy on your loss of your family patriarch. I worked with Doug at Colgate and can honestly say he was a stand-up guy. He appeared hard and crusty but if you got by that, he was a great operator who stood up for what he believed in. Doug took care of business and got the job done. When I was in packaging lab, it was my pleasure to work with him on 10/11 filler. Doug will be missed. Again, I’m so very sorry for your loss.

I also worked with Doug. Kris’s assessment couldn’t be more accurate. I’m very sorry for your family’s loss.
