“ While I was one of the “kids” that went to Florida at Christmas with several families , Doc would play golf with my father in law (BobDearth) and I. The fairways were pretty narrow but after our drives, Doc would disappear into the brush. Never would he not come out with at least a half dozen balls! What a guy. Our collective family had a great time , I will always remember the fun we had. Our sympathy to the family we love you. Bob and Beve Bender.
