“ You are all in my thoughts and prayers. It's hard to know what to say at a time like this. Just remember the good times you had and remember you will all be thought about. ##imported-begin##Jennifer Karas##imported-end##

“ I remember playing with Dustin when we were very young and then one day being told he would not be in class for awhile because he was sick. We all made banners and misc. cards for Dustin and we were soo happy when he finally came back to school. I'll never forget the one banner we made off a printer that was about 6 feet long. He was a very kind person who will surely be missed. I lost touch with Dustin sometime throughout high school but I offer my condolences and wish you all the very best.##imported-begin##Mike Nickell##imported-end##
