“ I know I am a little slow in writing in here but you all have been in my prayers throughout all of this. I wanted to be with you all so bad. This has been so hard because Earnie was and will continue to be loved by so many of us. He was so unique. He was one of my favorite things to look forward to at our reunion. He loved family so much. He taught 2 of my kids to swim. He made everyone seem they were so special to him. He will be missed so much. You will all be in our prayers to be able to heal. “ BJ I'm so sorry to hear about your loss. I remember Ernie helping you set up your first beauty shop. He was so pleasant and made everyone around him smile with his wonderful personality. I know how much you must miss him. But he gave you the wonderful gift of his love and devotion and Mikey. I know that he's in heaven with God and not in anymore pain. I hope that God will take you into his arms and help you get through this. Of course you have your wonderful family and Ernie's family to help you also. My prayers are with you and Mikey. “ *BJ and Mikey, Mike, Darlene and Annette:*
We are so sorry that we could not come and give condolences in person, but all of you are in our prayers and we will continue to uplift you as you face these difficult days ahead. Our "fireworks" will be missed at the family reunion. Earnie was always the one that everyone looked forward to having there as well as seeing and hugging and he seemed to enjoy the reunion as much as we enjoyed his presence there.

“ It's been fifteen years or so since I last talked to Earnie,so all I will ever have are childhood memories of him. He was a large part of my childhood, building forts in the trees behind our houses,playing kickball with the other neighborhood kids, riding his horses Wendy and Midnight and following behind him on his red four wheeler which became a blue Mercury Comet as we learned to drive. Some of my fondest memories of Earnie are taking that Comet to Norwalk raceway park where he would race it. Although we didn't keep in touch over the years by reading what was left for his family I can infer that he became a good man. There is not much I can remember that doesn't involve Earnie from the first day of kindergarden on the bus to the last day of fifth grade when he brought a ton of water balloons on the bus and started a water fight. I'm proud to say Earnie was my friend, God bless you Earnie and your family.##imported-begin##David M Tupis##imported-end##

“ Dearest BJ, My heart goes out to you and Mikey and the rest of of you and Earnies family, I have Known you all for 10 yrs now and I know how much you loved Earnie, he was a great guy and never pretended to be somebody he wasnt, I know the pain you r feeling losing Mike was so devastating I did not thing I would come back from that, I remember a couple months ago when Earnie let me cry on his shoulder for hours because I was missing Mike so much, and his words to me did help alot. So BJ if you ever need to talk to someone just let me know, you know where I live. And my advice to you is to keep talking it helps so much to get thru this and find out who you are that was the hardest for me for 20 yrs I was Mikes wife the suddenly I wasnt anymore so I had to find out who I was again. I love ya BJ and Mikey. Take Care##imported-begin##Connie Stone##imported-end##

“ My deepest sympathy to Ernie's family and friends. Where to begin? I have know Ernie and B.J. for almost 2 years. Ernie was larger than life. They broke the mold when they made him. Ernie was his own person in every way and proud to be. Ernie taught me a lot in those 2 years and I tried to teach him a thing or two. I think some of it may have even stuck. Ernie and I shared a very special relationship that I will never forget. I remember the first day I met Ernie, I knew within 5 minutes that he was going to be trouble, and I was in for it as well. However, I soon learned to love him and understand him. He was one of the few people who I could give it two straight and vice versa. I have never met another man like him and I am sure that I never will. He was very difficult and challenging and I loved him and appreciated him for it. Ernie was a very generous person. I remember him being in our office and I told him that my furnace and air conditioner were on the fritz. He spent the next 2 weeks calling around town and I think even the state haha trying to get me the best deal and then offering to help with the job for nothing of course. He would have given me his kidney if he thought I needed one, meanwhile I tried to keep his body intact! On behalf of Dr. Bonner and I's office... are deepest condolences are with all of Ernie's loved ones. B.J. please let me know if there is anything at all that I can do for you. Ernie was very loved by all of us and we will miss him greatly. I am very happy that I had the opportunity to be a part of his life. Ernie was a truely a special and remarkable person. We will miss him very much!

Sincerely ,

When you ask Jesus how much He loved us He spread His arms out and died on the cross. This is the love I have for you. Your memory will live on. You have given me the best part of who you are. “ B.J. and Mikey,

I was so shocked to hear of Earnie's passing. My heart completely breaks for you right now and you are in my thoughts and prayers. I didn't know Earnie well~only from the salon but he was definitely a likeable person. He always spoiled my son, Evan, by grabbing a quarter and getting him some "nummies" from the candy machine when he saw us come in for haircuts.

To Earnie's family~although I don't know you, I am so saddened by the loss you are experiencing. I pray God will give you the strength you need to carry on in the days ahead.##imported-begin##Sherrie Carpenter##imported-end##

“ My prayers are with Michael and Darlene and of course B J in this time of sorrow and sadness. Earnie and I had a friendship that was very special. I had the pleasure of spending some time with Earnie shortly after Hurricane Charlie in Florida. His experiences and "truck driving" stories would hold me spell bound. I am convinced that right now Earnie is holding someone else spellbound with his stories. I will miss him.
