“ I remember as a child, at Christmas we were allowed to own our gifts and then we called uncle Edwin to wish him a happy birthday. I think of that each year. He did my mothers funeral. A special uncle and a Godly example. He will be missed

“ *I remember when I worked for Edwins for a week when Hans was a baby. Martha came down from putting the boys to bed one evening and told Edwin that one of the boys wanted to talk to him. I was really touched to see how Edwin took the time to go upstairs and have a private talk with his son. It was a beautiful thing to see. He was a wonderful father.*

*My name is Barbara Besson née Flowers and I worked for Ms. Martha and Bro. Edwin as a young girl in Tropical Park, Belize when Nathan and Lonnie were little boys! We loved this couple and lovingly nicknamed him Bosse Bosse because he was a great disciplinarian who meant what he said. Many years later while living in the US we tried to meet up with them but it did not work out! God bless and comfort you Ms. Martha and family. Babsie*
