“ *Eileen was a caring, loving, compassionate aunt and friend to me. When we moved to Florida she and Uncle Bill made us feel welcome and part of the family, including us in all the family gatherings. Her calm manner was always a presence. She was a care giver to everyone. And I have to mention her potato salad, best I ever ate. Rest easy now Eileen, your work here is done and you and Bill and all the Perego's can have that big card game in heaven.*
With love, Ann
