“ Mrs. Wharton was my 2nd grade teacher and my favorite teacher of all time. She impacted my life greatly. I reconnected with her upon seeing her in the hospital a few years back and after talking a while she remembered me from 2nd grade. We exchanged a few greeting cards and sadly we lost touch again. My heart has been heavy since reading of her passing. She was the absolute nicest person in the world and I loved her dearly. My thoughts, prayers and deepest sympathy go out to the family. R.I.P. Mrs. Wharton. You will be missed.
