Tribute Wall

“ To my family,
I love you all, and I wish I could have joined you in our time of sorrow. I want to remember Elaine as the fun loving, kind, beautiful woman that I have known my whole life. I have so many fond memories of times that we shared with our family, but I also have wonderful memories that belong to Elaine and myself and those I will cherish all my life. My last visit with Elaine, October 2002 is what I want to keep alive. I know Elaine understands why I wasn't with you all today and I know that she still loves me, as I do her. Elaine, I love you and I miss you already.
Always

“ To my family,
I love and miss you all. I wish I could have joined all of you to remember all the fun times we had with Elaine. She was a wonderful woman and in my mind, she always will be. I always loved getting together to play games and just talk about funny stories. I know she isn't hurting anymore and that brings peace to my heart. I know she is looking down on us from heaven and that brings a smile to my face and warms my heart. I will never forget her and she knows that. Elaine, you will be forever in my heart and thoughts and my prayers go out to those closest to her to bring them peace in knowing that she is in a better place now.
Love, Danielle###imported-begin###Danielle M. Borton###imported-end##
