“ To Elaine’s family, Our Deepest Sympathy at this difficult time. Our family lived beside Elaine for 18 years. We have wonderful childhood memories, including her love for the Beatles, her Beatles wallpaper, Tom Jones concert and our travel to Mississippi to visit Elvis’s home. After we moved, our family continued to stay in touch with Elaine. Elaine’s many cards to our mother were very special. Facebook has kept us in touch over the years and up to the present. We are grateful, we were able to see Elaine last December. We will hold these memories close to our heart, as we remember sweet Elaine. Our family is keeping your family in our thoughts and prayers.

“ With heavy hearts, we are saddened to learn the news of Elaine’s sudden passing. Though the miles and years separated us, Elaine’s light heart and sense of humor, whether recalling childhood memories in person or sharing her jovial take on the life and times of the world in which we now live through her social media postings, we consider ourselves fortunate and blessed to have shared the journey in her company. It is said that when someone you love becomes a memory, the memory becomes a treasure. How rich we are! Rest peacefully, Elaine, ... ‘til we see you again. “ So sorry to hear this. I worked with her at Penneys when I was in high school. She and some other girls did an impression of the Beatles at one of the Christmas parties. Good memories.

Elaine and I worked together at NCR but I knew of her before meeting her as my family was friends with a cousin of hers. We worked together at NCR for many years and enjoyed many good times together. A wonderful person and friend.
