“ Dear Family and Loved Ones of Ms. Toland,

*I was saddened to read about the recent death of your loved one, Eleanor. The purpose of my message is to offer my condolences and a hope for the future. When someone loses a loved one in death, they often wonder is death the end of it all.*

*Happily, our Creator has made the way possible for us not only to return to life if we fall asleep in death but also to live forever in perfection and peace. This wonderful prospect is made possible through his son, Jesus Christ. If you have a personal copy of the Bible, please read John 3:16. Can you imagine Eleanor's joy at seeing you again? Please take comfort in the resurrection hope found in the Bible at John 5: 28 & 29. Yes, one day soon we will see the marvelous fulfillment of Revelation 21:3, 4. A wonderful promise indeed! I hope these thoughts have brought you some comfort. Please share them with your family. Again, my sincere condolences.*
