“ I just saw this notice on July 4, 2006. Miss Blackburn patiently taught myself and many others in Driver's Ed. She was a very nice person.##imported-begin##Mary Louise Ross Griffin##imported-end##

“ With deepest sympathies from a former neighbor and a student who was fortunate to have known Elizabeth and her family, and to have been graciously offered rides to school in the late 40's. I graduated in 51 and although I never saw her again, I have fond memories of those high school days. She was a dedicated teacher and a very good friend. God Bless.##imported-begin##David R.
