“ We were neighbors of Stan parents on 11th Street and that is how we got to know Eloise and Stan. Then i knew Stan when he worked at Phillips Products.

“ So sorry to hear about your loss. I was familiar with Eloise when I worked at Dr. Bonner's office. She was a kind hearted lady, and always had a smile. I will never forget her.

“ Cathy,

My heart goes out to you and I soon will be there to express my deepest sorrow. Your mother was a wonderful person and you were a wonderful and kind daughter to her. You should be proud of that! Most people cannot say that about a mother and daughter relationship, I can and I know many more people share these thoughts as well. You two had a very special bond. I could see that when you two were together. Remember the good times! She is at peace and the Angels are now looking down on us. Love, Linda

“ My dear friend Cathy...Words cannot describe the feelings I know you have right now. Find comfort knowing she is at peace ... I pray this prayer will help you as it has helped me.

Dear Lord, relying on your promises to us, I turn to you in trust that my mother is with you and that she is enjoying your loving embrace. You alone know how she loved the best she could and how she faithfully endured the struggles that she faced. You know the graces you gave her and you know the grace she was for me and for so many. For all the ways she truly loved the way you loved her, please reward her, Lord. May she enjoy the communion of all her family and friends who are with you.

Lord, I know my mother still loves us who are still here on earth. I ask you that you might listen to her fervent prayers for us. Help me to grow into a new and deeper relationship with my mother now, as I long for the day when we will both meet in your embrace - freed from all that might have hindered our relationship on earth, knowing and understanding everything we did not know or understand on this earth.

I ask you this with faith in the resurrection, trusting my mother's love, and desiring that she know my love for her. Amen.

*Love to you and your family,
Glenda*

“ In 1940 I was fortunate to be born into a duplex, and 15 year old Eloise lived in the other part of the house. She became the only big sister I have had and was my baby sitter until she married and moved to Ohio. We kept in touch since I had adopted her mother as my "grandma." Throughout the years she has taught me by example what it means to be a caring person. Her home was always open, and her food was always delicious. My husband Bob and I were blessed with her presence at our wedding; and we were elated when she visited our new home in The Villages, FL on two different occasions. Thankfully, we had a very pleasant visit with her on July 5th and saw the same caring spirit which had always been demonstrated. When Christmas arrives and the rest of us are celebrating the birth of Christ, we know that Eloise will be in heaven to personally attend the birthday party. And she will be surrounded by all the loved ones who have been waiting for her to arrive. Our sympathy to all of those who will miss her terribly until it is their time to join her.
