*Many of my memories of Aunt Emilie are from youth... keeping us kids in line, speed-crocheting the most beautiful things, her love of her pets, her doll collection, and the lovely Victorian antiques she surrounded herself with.*

*Later in life when I talked with her, she seldom mentioned herself, but would relay what was going on with family. She always had a great deal of pride in her kids and grandkids.*

*The thing I remember most was her sense of humor, the twinkle in her eyes, and her laugh. She had a most distinctive laugh and I can't help but smile when I think of it.*

*We'll miss you Aunt Emilie.*
