“ We were saddened by the news of Jo's passing. She was one of the most precious people we ever meet and was able to know. While we were pastor's at the Byesville Assemblby of God she always took care of our two poodles when we had to be away. We never had a care or a worry when they were in her wonderful care. Many times she would even pick them up at our house so we did not have to bring them into Cambridge. Her love for them was so evident. We know Heaven has received a precious jewel and she is rejoicing with the saints in heaven. We considered her a very special friend and a true exsample of a Godly lady. Our prayers for comfort and strength go out to her family.##imported-begin##Dan & Nancy Crouch##imported-end##

“ We are so sorry of the loss of Jo, she was the most wonderful person, and her love for helping others and her animals was amazing. She was the greatest neighbor to myself, my son Michael and such a great neighbor and friend to my mother Thelma Diss before my mother's passing. We thought the world of her, the memories will be with us forever.

“ I am so sorry at the loss of Jo. She was a great, sweet woman. She was my Dad's neighbor and always took care of his dogs when he was in the hospital. They would always be so much more spoiled by the time he got back home. Her love for animals was so admiral. The DeVore family has lost another great member. I hope that if there is anything that myself or my family can do, you will please ask.##imported-begin##Jill DeVore Moore##imported-end##
