“ My family and I would like to offer our condolences to you for your lost. While reading about Ms.Esther I can tell that she truly loved others, animals and even music as she played the piano. In her zeal for God I'm sure she found comfort in God's Word the Bible. Please look to John 5:28,29 for comfort because there we're encouraged to look forward to our loved ones being resurrected back to life. How comforting it is to know that one day soon we can be with our loved ones again. Matthew 5:4,5 is also comforting because it gives us a wonderful hope for the earth. The Bible helps us to see that when God's promises are fulfilled you will never have to worry about getting sick, growing old and dieing ever again. Please allow God's Word the Bible to give you comfort & hope even now and as you wait to for the time when you'll be united with your loved one again know that you are in our prayers.

“ *It is a horrible time when we lose a loved one in death and need much comfort, the scripture at Revelation 21:3&4 will bring a measure of that comfort, and may the God of all comfort be with your family.*

With Deepest Sympathy,
