“ It is with deep sadness that today, June 13, 2011, I received the news here in Hawaii, that Aunt Pauline had died. I thank you Patty for taking the time to notify those who loved her. She was a kind, sensitive woman whom cared and gave to many in need. It is with regret that I was unable to communicate with her the last six months of her life; once she left her house I did not know how to contact her. To her family and friends I send Aloha and the thought that she is with the Angels and the God she so believed in....there will be no more pain, thank you God.
