“ Eula will always hold a special place in our hearts. The first time we met was at j & k. Fred wanted green beans with his liver and onions and they were always serving some other veggie. Eula would banter back and forth with him. Then, we realized we were neighbors and got better from there. Love. Fred and Kathy

“ Eula loved to play "Clue" and so did I . It was more fun with 4 people, so the husbands went along with us for a few games before we went back to the game of "Canasta" .

When she moved away, I gave her the game to remember me by. We had such good times when our children were babies and then toddlers. She was fun to be with and always saw the good in people.

I enjoyed talking to her on Facebook and when she felt good she would call me on the phone until she ran out of breath.

She will always remain an inspiration to me as she suffered a lot but always prayed for other people. I will miss her so ~ until we meet again ~ I love you.

Your long time friend,
Jan McRoberts
