“ To the Brockwells:
So sorry to hear about your mom. I have enjoyed her so much over the years. She and Pat Holcomb were so very special at the Area Agency on Aging. There was no one like Evelyn and I will cherish the conversations and fun we had. I am also so thank full that in recent years she has been such a friend to my mom. It has been special that they were there for each other.
With fondest memories,
Jenny Kesterson##imported-begin##Jenny Kesterson##imported-end##
