“ *My deep sympathy to you aunt Shirley and all of your family. If mom and dad were still here they would be greatly saddened--- but I am sure they and the entire family welcomed him with opened arms. Someday we will all join them...so they aren't really gone...just away and waiting for a reunion. I will continue to think of you often and please know I will help in any way I still can. Peace and comfort to all of you. my love, Gary*
