“ Ever since I met you in 2007, you were like a 2nd mom to me for the 5 years I called Cambridge my home away from home. I thoroughly enjoyed the English dishes you made for me when I came in from the road. Your hospitality was the best. Christmas was always a special time when I was able to get the Quality Street chocolates by Nestle from England. My life got a little brighter in 2013 when I was awarded full custody of my son, Matthew. He's 17 now. Feisty just like me, but still an Angel. I remember being called King John. Sometimes it still isn't further from the truth, haha. It's been a long journey since I saw you last. My partner & I are planning on getting married when this pandemic eases up. She's a very religious person & I am proud of her & her accomplishments. I miss you, 'mom'. It was great knowing you. When we meet again, you can tell me all your wonderous tales.

“ Joanie was an important Christian influence to our family when we lived in New Concord, OH. We loved her humor and quick wit. We will miss her English accent and funny stories. We thank God for the privilege of having had her friendship, love and prayers.

“ I remember her at church (Madison Full Gospel) when I was younger and she loved to sing about Jesus. I am sure she is singing in Heaven today! Sending my love and prayers to her children.
