“ I am so very happy to have had Francis in my life these last few years. My dad (Dick Ward) and Francis (we always called him "Panny", which was his grade school nickname) were best friends since they were both eight years old, through Eagle Scouts and even on to Ohio University (though short lived). As a child I remember going to Cambridge to visit my grandparents and always stopping for gas at Panny's gas station. He and dad would touch base and catch up on all the latest. Panny was a true gentleman and I'm happy to call him my friend. Please know that my thoughts are with his family at this sad time.

“ Mr. Markley served on the Guernsey County Senior Citizens Board, and he did an outstanding job supporting seniors. I did not have the honor of working with him very long, as his term was up shortly after I became Director. He worked very diligently for his community, (especially the Lions Club) and will certainly be missed.
