“ *I didn't we much of Lee but I cherish the time
we did have. I had stopped down his place a
couple of times but I never caught him home.
I should have called him from home but I
never knew what I was going to do. I wish I
had put more effort into to getting a hold of him. Rest in peace Lee I
shall miss you. Your cousin Mary.*

“ *Lee will be sadly missed, I will miss chatting with him, sipping his
blackberry brandys with squirt and grilling out. He sure could cook
up some grub.*

*Love and miss you my friend
