“ Daisy, Denise & Rebecca: Linda and I want to extend our deepest sympathies to you and your families. I was amazed when I read Galen's obituary and saw all the things he was involved in. I was fortunate to catch Galen's and your service after you had been married just one year, when you were my second grade Sunday School Teachers at Parkview Nazarene. I tried to be a good student in those days, but I was still young enough that I often mispronounced your names and called you Dalen and Gaisy. Thanks for not throwing me out! And now we are related through the marriage of Mike & Rebecca. We wish you all God's peace through these coming months.##imported-begin##Bob & Linda Baker##imported-end##
