“ Mrs. Carter was one of my favorite teachers and I was in contact with her until the last few years when her health worsened. She encouraged me with my poetry. Whenever I would write a new poem I would take it to her and she would give me advice on how to improve on my writing. I have continued to write poetry and mostly Christian poetry these days and have had many poems published. I use to send her my poems and sometimes she would send me hers too. She was a wonderful person and I will always remember her. She was a lovely Christian and I feel very blessed that she was my teacher at Londonderry Grade School. May God give all of her family and friends comfort.##imported-begin##Erleen Long##imported-end##

“ Our thoughts and prayers are with you all. Garnet was a very sweet person and will be missed by a lot of people. Garnet made a blanket for our daughter Sadie when she was born and I will treasure it always.
We can rejoice in the fact that we know she is in a much better place, singing praises to our God and King.
With sympathy and love,
Jerold, Tina and Sadie Lucas
