“ WOW !, It's been so many years ago. Gary & I lived about 2 or 3 miles apart. I would either walk to his house or vise versa. We would camp on the local gob piles & we rode motorcycles together, went hunting & just hung out. I last saw Gary at my mom's funeral. He was gracious enough to help console me when I fell apart at the viewing. You & I were supposed to get together soon after but life intervened old friend.. Will cherish the memories..God Speed Gary, your old friend.....Harry McEndree
