“ Gary was a sweet fellow. Always kind. I also graduated with him in 1967. My first memory of him is a funny one. In our Oakland School kindergarten room there was an area that had a play kitchen. He and I were having a fun time but we were LOUD. Our teacher Mrs Amos scolded us for our volume. Oh my. Fun guy early on Ellen Skultin Gillenwater

“ Our family met Gary when he came back to Cambridge after living and working in Atlanta, Georgia. He wanted to open a booth at Penny Court and it was obvious that Gary was quite unique. He ended up working for us at Penny Court. He was always willing to lend a hand at the Cambridge Performing Arts Center while we ran the movies. Gary was very intelligent and would always delight us with all kinds of trivia. He had a love for the finer things from art, antiques, Little Debbie's to big cars! Sadly, his health was not the best, especially for the last 10 years of his life. Gary could be cantankerous but always meant well. He will be missed by the Pavlov Family.

“ I graduated with Gary and I remember him as being funny at times and very serious to. His nickname in school was "Frank". I was very saddened to hear of his passing and he will be going on to his next adventure with god. My thoughts and prayers are with his family.
