“ Shirley, Tammy and family,

I am sorry for your loss and I will keep you in my prayers as you grieve. It has been a lot of years since we have talked, but I still think of you both more than you might think. In fact you both came up in conversation with my wife not more than two weeks ago. There was a reason I had you both on my mind. You were both a big part of my time at Trail and Shirley and Coach Leggett were my two best influences in school. I only talked with Gary several brief times, but I know that he was a good guy and loved and supported others. You will continue to be in my thoughts and prayers.

I am terribly sorry to hear of the loss of your father. He was always kind to me, and I know you, Michael, and Christine will miss him greatly. “ Sorry to hear of your loss. Had planned to come to the funeral home, but did not pay attention to the calling hours until too late. Would have liked to see you and your family. May you know that others care and that we send our sympathy. I hope you will move on and make the most of your life. Interesting to have you as not only a cousin, but also as a partner in teaching. “ *Deepest Sympathy to all who are grieving the passing of Gary. Gene and I have wonderful memories of our times spent together. Our travels across the US are especially cherished, as he enjoyed traveling so very much almost as much as he enjoyed BT sporting events. He was a wonderful friend and he will be deeply missed.
