“ When I was a little girl, my mother, Gloria Ryan, always got gas at Mr Rose's station. He always joked with my brother and I, making us laugh. He was one of my favorite adults! I even learned my numbers and alphabet from Rose's Sohio station! It just goes to show you that you never know what effect you have on others.. I will always have fond memories of Mr Rose and I always wished I could have gone back and told him so. But I am betting he already knows!!##imported-begin##Kathleen EricksonRyan##imported-end##
