“ *Thank you Aunt Geneva for a life time of hugs. I hold them all dearly in my heart. Now I fill my arms with funny, warm, humorous, loving memories of our and family times spent together. You were a great example of someone who gave of their self in times of need. Hopefully, I've learned the lessons you taught through your daily walk. Rest dear one, job well done. Love you a bushel and a peck and a hug around the neck. Love Shelley*
