“ Down through the centuries men would attribute their very reason for living to their best horse friend. I believe his love for horses gave him hope and a reason to get up in the mornings. He really loved that mare. I am so sorry for your loss and mine, he was a good friend who always had a hug and a smile for me. He loved to ride and I enjoyed riding with him when we could. You have my deepest sympathy for your loss. If there is anything i can do just let me know & give me a call anytime. 740-801-0983##imported-begin##Tana J Casarez OHC##imported-end##

“ Aaron and Christal, sending our love and thoughts for you and your families. Your dad will be sadly missed. He is at rest and no more pain or hurting. He made my day when I would see him and his silly little smirky grin. Great friend and neighbor. Going to miss him dearly.

Thoughts and prayers.##imported-begin##Connie and Jim Harris##imported-end##
