“ my deepest sympathy goes out to your family. i am a 3-11 LPN at Red Carpet Health Care Center and have taken care of your dad for 1 1/2 years. We at Red Carpet are going to miss your dad's singing and him in general! god bless. my fondest memory of your dad was just a few days before he went to the hospital. he was growling at one of the nurse aides and then he looked over at me and winked with a big grin and said i'm just fooling with her! it was great moment!and the other time is when he was really grouchy and told me i wasn't worth a pint of cold pee! i will miss him alot.##imported-begin##cindy moore##imported-end##
