“ Gerald and Garnet are like second parents to me. All the times we camped and the times we went to Arizona to visit. They would both just take us in like we were family. Not only were they a beautiful couple on the outside they were just as beautiful on the inside. Fly high Gerald, you will be missed. Love Carol, Harry, Ryleigh, and Connor.

“ Must know that all of us at Marlenes will miss Gerald terribly. In addition to his ornery side, that we all enjoyed , we witnessed his caring heart many times over the years. How we appreciated his hearty appetite and his never failing to tell us how good his food was. Our hearts to his family.
