“ *Losing a love one can be distressing. Therefore, it is important to draw close to God in prayer, for the Bible promises that "he himself will sustain you."-Psalms 55:22. When we lose our loved ones, we miss them very much. For that reason, we can be encouraged by reflecting on the promises that God has given us thru his word the Bible, concerning the hope of seeing our loved ones again. I hope that you find comfort in reading these scriptures. John 11:11-44, John 5:21,28,29 and Revelation 21:3,4. My prayers are with your family.##imported-begin##Regina Farray##imported-end##*

“ *When Gertrude worked with my mother, Carolyn Durben, at Children\'s Services, I always enjoyed visiting because Gertrude was such a warm, friendly person. Years later, after both had retired, Gertrude sent my family her wonderful cookies every chance she had! If my mother\'s dementia had not robbed her of so many memories and the ability to express her thoughts, she would be sending her own condolences to you.##imported-begin##KATHY DURBEN WELSCH##imported-end##*
